

Peek™ Blades

Finally! One Blade Can Do It All!

Features:

- **Economical**
 - Extended life in most applications
 - Less expensive than stainless steel blades
 - Longer tube life
- **Adaptable**
 - Designed for use with a variety of viscosities and temperatures
 - Can be used with nearly all CIP cleaning solutions
 - Retro-fit kits available for adapting older Thermutator and Votator models
 - Blade can be used with stainless steel or chrome plated nickel tubes
 - FDA compliant
- **Maintainable**
 - Stock one blade for all applications
 - Easy to re-sharpen
 - Locking grooves secure blades to shaft during assembly
 - Longer life means less maintenance
 - Built-in wear indicators guarantee top performance

**ISO 9001
CERTIFIED**
